

HUBTRAN, INC.
STOCK OPTION AWARD AGREEMENT

THIS STOCK OPTION AWARD AGREEMENT (this “**Agreement**”) is entered into, effective as of June 24, 2015 (the “**Grant Date**”), by and between HubTran, Inc., a Delaware corporation (the “**Company**”), and Wister Walcott (the “**Optionee**”).

R E C I T A L S

The Company has determined to provide the Optionee with an option under the terms of the “HubTran, Inc. 2015 Stock Incentive Plan” (the “**Plan**”). Section 6.2 of the Plan requires that the grant of an Option be evidenced by an Award Agreement between the Company and the Optionee, specifying the terms and conditions applicable to such Option. This Agreement is intended to satisfy that requirement. The Optionee is willing to enter into this Agreement in consideration of the grant of the Option. All terms capitalized in this Agreement but not otherwise defined herein have the respective meanings ascribed to them under the Plan.

NOW, THEREFORE, the Company and the Optionee covenant and agree as follows:

1. **GRANT OF OPTION; EXERCISABILITY CONDITIONS.**

(a) Subject to the terms of the Plan and the terms set forth below, the Company hereby grants to the Optionee a stock option (the “**Option**”) to acquire from the Company five thousand two hundred fifty (5,250) Shares of Non-Voting Common Stock (par value \$0.0001) of the Company at the price of Four Dollars (\$4.00) per share (the “**Option Price**”). It is intended that this Option not constitute an “incentive stock option,” as that term is defined in Section 422 of the Internal Revenue Code of 1986, as amended.

(b) The Option shall be exercisable by Optionee only to the extent that Shares being purchased upon exercise shall have vested in accordance with Section 2 below.

2. **VESTING.** Options granted under the Plan shall become exercisable (vest) on a monthly basis (“**Monthly Vesting**”) beginning one year from the Grant Date. As of the Grant Date, none of the Options granted under the Plan are vested. On the date 12 months from the Grant Date, providing Optionee has remained in continuous employment or service with the Company, 1/2 of the options shall vest (“**Initial Vesting Date**”). For a period of 1 year from the Initial Vesting Date, for each month elapsing since the Initial Vesting Date during which the Optionee remains in service to the Company as an Advisor, an additional 1/24th of the Options granted under the Plan shall vest so that the Options would be 100% vested upon two years of continuous service to the Company. The number of shares included in the Monthly Vesting shall be rounded down to the nearest integer to prevent fractional shares, with the remaining unvested shares becoming vested in the thirty-sixth month so the total shares vested is equal to the total shares granted by this Option in Section 1(a).

3. **TERMINATION OF THE OPTION.**

(a) Unless earlier terminated in accordance with the provisions of the Plan, the Option will terminate on the tenth anniversary of the Grant Date.

(b) Subject to the provisions of Section 2, if the consulting arrangement between the Optionee and the Company terminates for any reason, the Option shall automatically terminate as to any portion of the Option not vested as of the date of termination. Following such termination, the vested portion of the Option will remain in effect for a period of ninety (90) days following such termination (but in no event later than the date specified in Section 3(a) above) (provided that in the case of an Incentive Stock Option, such period shall be equal to the lesser of three (3) months from the date of Retirement or the date specified in Section 3(a) above), at the end of which period, to the extent it has not been exercised, the Option will terminate.

4. **EXERCISE OF THE OPTION.** In order to exercise the Option, the Optionee must do the following:

(a) deliver to the Company a written notice, in the form attached as Exhibit A hereto, specifying the number of shares of Common Stock for which the Option is being exercised;

(b) deliver to the Company the consideration to be paid for the Shares to be issued upon exercise of an Option. The consideration may consist of one or more of the following, as is acceptable to the Company: (i) cash, (ii) check; or (iii) other consideration as described in the Plan and/or approved by the Committee in its sole discretion;

(c) execute and deliver to the Company any other documents reasonably required from time to time by the Committee in order to effect compliance with the 1933 Act, applicable state securities laws, or any other applicable law, rule or regulation; and

(d) execute and deliver to the Company counterpart signature pages to any voting agreements, right of first refusal agreements, stockholder agreements and/or similar agreements the Company requires Optionee to execute in connection with purchasing the Shares.

5. **DELIVERY OF SHARE CERTIFICATE.** As soon as practicable after the Option has been duly exercised, the Company shall deliver to the Optionee a certificate for the Shares for which the Option was exercised.

6. **NONTRANSFERABILITY.** Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee.

7. **REPRESENTATIONS AND WARRANTIES OF THE OPTIONEE.** By executing this Agreement, the Optionee accepts the Option and represents and warrants to the Company and covenants and agrees with the Company as follows:

(a) The Optionee agrees to comply with and be bound by all of the provisions of the Plan and this Agreement. The Optionee acknowledges receipt of a copy of the Plan, an understanding of its terms, and the opportunity to discuss those terms with an appropriate representative of the Company.

(b) The Optionee recognizes, agrees and acknowledges that no registration statement under the 1933 Act, or under any state securities laws, has been filed with respect to the

Option or any Shares that may be acquired upon exercise of the Option, the Company is not required to and has no present intention of preparing and filing such a registration statement. Accordingly, Shares acquired pursuant to the Option may be required to be held indefinitely.

(c) The Optionee represents and warrants that the Option and any Shares acquired upon exercise of the Option will be acquired and held by the Optionee for the Optionee's own account, for investment purposes only, and not with a view towards the distribution or public offering thereof nor with any present intention of reselling or distributing the same at any particular future time.

(d) The Optionee agrees not to sell, transfer or otherwise dispose of any Shares that may be acquired upon exercise of the Option unless (i) there is in effect a registration statement under the 1933 Act covering the proposed disposition and compliance with governing state securities laws, (ii) the Optionee delivers to the Company, at the Optionee's expense, a "no-action" letter or similar interpretative opinion, satisfactory in form and substance to the Company, from the staff of each appropriate securities agency, to the effect that such Shares may be disposed of by the Optionee in the manner proposed, or (iii) the Optionee delivers to the Company, at the Optionee's expense, a legal opinion, satisfactory in form and substance to the Company, of legal counsel designated by the Optionee and satisfactory to the Company, to the effect that the proposed disposition is exempt from registration under the 1933 Act and governing state securities laws.

(e) The Optionee acknowledges and consents to the appearance of a restrictive legend, referring to the transfer and other restrictions imposed by the Plan or this Agreement, on each certificate representing Shares issued upon exercise of the Option.

(f) The Optionee agrees not to sell, transfer or otherwise dispose of the Option or any Shares acquired upon exercise of the Option, except as specifically permitted by this Agreement and any applicable securities laws.

8. **NON-DISCLOSURE.** Optionee agrees that Optionee will not at any time divulge any confidential information, trade secrets or other proprietary information of the Company that Optionee has been made privy to by virtue of Optionee's execution of this Agreement or the Plan to any other parties. As used herein "**Confidential Information**" shall mean any information obtained by the Optionee at any time while employed by or otherwise involved with the Company which is proprietary to the Company, including, but not limited to, trade secrets, information pertaining to purchasing, marketing, selling, products, plans, drawings, specifications, lists of employees, mailing lists, details of contracts, cost systems, pricing policies, operational methods, marketing plans, business acquisition plans, customer lists, the particular needs of customers, and the identity of customers and potential customers. Confidential Information shall also include: (i) information which Company is required to keep confidential in accordance with confidentiality obligations of third parties; and (ii) information regarding this Agreement or the Plan. Optionee will at no time, without prior written authorization by the Company, disclose or in any way transfer or communicate, or use for the benefit of any person or entity other than the Company, any Confidential Information to any other party, whether or not such other party is employed by or otherwise involved with the Company. Optionee acknowledges and agrees that (x) the Confidential Information is, and at all times hereafter shall remain, the sole property of the Company and (y) Optionee shall use Optionee's best efforts and the utmost diligence to guard and protect the Confidential Information from disclosure to any competitor, customer or supplier of the Company or any other person, firm, corporation, or other entity.

9. **NO RIGHT TO CONTINUED SERVICES.** Nothing contained in this Agreement shall confer or be construed to confer on the Optionee any right to continue in the service of the Company or interfere in any way with the right of the Company to terminate the MSA and/or Optionee's consulting arrangement with the Company at any time, with or without cause.

10. **RIGHTS AS SHAREHOLDER.** The Optionee will have no rights as a shareholder of the Company on account of the Option or on account of Shares to be acquired upon exercise of the Option (but with respect to which no certificates have been delivered to the Optionee).

11. **TAX WITHHOLDING.** As a condition to the exercise of any Option, the Optionee shall pay, or make arrangements satisfactory to the Committee for payment to the Company of, all federal, state and local income, employment and other taxes, if any, required to be withheld by the Company in connection with the exercise of the Option.

12. **LOCK-UP PERIOD.** Optionee hereby agrees that Optionee shall not offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any Common Stock (or other securities) of the Company or enter into any swap, hedging or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Common Stock (or other securities) of the Company held by Optionee (other than those included in the registration) for a period specified by the representative of the underwriters of Common Stock (or other securities) of the Company not to exceed one hundred eighty (180) days following the effective date of any registration statement of the Company filed under the Securities Act.

Optionee agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. In addition, if requested by the Company or the representative of the underwriters of Common Stock (or other securities) of the Company, Optionee shall provide, within ten (10) days of such request, such information as may be required by the Company or such representative in connection with the completion of any public offering of the Company's securities pursuant to a registration statement filed under the Securities Act. The obligations described in this Section 12 shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms that may be promulgated in the future, or a registration relating solely to a Commission Rule 145 transaction on Form S-4 or similar forms that may be promulgated in the future. The Company may impose stop-transfer instructions with respect to the shares of Common Stock (or other securities) subject to the foregoing restriction until the end of said one hundred eighty (180) day period. Optionee agrees that any transferee of the Option or shares acquired pursuant to the Option shall be bound by this Section 12.

13. **FURTHER ASSURANCES.** The Optionee agrees from time to time to execute such additional documents as the Company may reasonably require in order to effectuate the purposes of the Plan and this Agreement.

14. **BINDING EFFECT.** This Agreement shall be binding upon the Optionee and his or her heirs, successors and assigns.

15. **ENTIRE AGREEMENT; MODIFICATIONS.** This Agreement and the Plan constitute the entire agreement and understanding between the Company and the Optionee regarding the subject matter hereof and supersede any prior discussions with respect to such subject matter. No modification of the Option or this Agreement, or waiver of any provision of this Agreement, shall be valid unless in writing and duly executed by the Company and the Optionee. The failure of any party to enforce any of that

party's rights against the other party for breach of any of the terms of this Agreement shall not be construed as a waiver of such rights as to any continued or subsequent breach.

16. **GOVERNING LAW.** This Agreement shall be governed by the internal laws, and not the laws of conflict of laws, of the State of Delaware.
